

LEGAL ENGLISH FOR LITIGATION

COURSE DETAILS

COURSE OBJECTIVES

Participants will demonstrate the ability to identify, analyze and critique issues in the litigation context. Participants will apply the skills of problem solving, collaboration, counseling and persuasion. This course will also provide an in-depth understanding of litigation terminology.

PREREQUISITE

Intermediate level in English.

PLACE OF TRAINING

Virtual classroom

TOTAL DURATION

12 hours

YOUR CONSULTANT - TRAINER

Native English-speaking lawyer-consultants. The consultants are qualified professionals with experience in education.

PROGRAM CONTENT

- Develop a theory of the case/defense based on the facts & evidence
- Define the claim/defense: identify key legal issues
- Develop key arguments for your client
- Cite relevant jurisprudence or evidence to support arguments
- Ask relevant questions to opposing counsel/witnesses in a discovery/trial
- Negotiation: explore possibility of settlement
- Persuasion: convince a court of your client's case
- Understand the court's decision and reasoning
- Explain the case to colleagues

CERTIFICATION

ECLA will issue a certificate to each participant at the end of the course indicating the exact hours of training.
